

Sponsoring Organization Information and Authorization

Thank you for sponsoring a young lady for the National Coho Queen Competition. For years, young ladies from our community have had the chance to earn college scholarships, and for the opportunity to be a national spokesperson for the National Coho Salmon Festival and we are proud to bring this tradition back!

Our Queen Selection competition will take place in two phases; "Pageant Day" on August 25th, and "Coronation" during the National Coho Salmon Festival on September 6th.

Pageant Day, August 25, 2019: All initial contestants will begin the day with a meet and greet with community members and secret judges. The contestants will then participate in a group activity of serving our community members and secret judges lunch. This will be followed by one-on-one interviews with the panel of secret judges. Once the interviews are complete, the contestants will have a wardrobe change from business casual to their formal wear. They will then pick a question to answer in front of the panel of judges and audience.

Coronation, September 6, 2019: All contestants will attend the Queen's Ball on Friday. The new National Coho Queen, 1st & 2nd runner up will be announced at the ball. The 1st and 2nd runner up will receive a \$500 scholarship to the college of her choice. The new Coho Queen will receive a total scholarship award of \$1,500.

Your generous contribution will help a lovely young lady have an amazing experience at a every exciting time in her life! With your contribution, your name will appear in the Benzie Record Patriot in July announcing the 2019 National Coho Queen candidates. We will also list your business or organization's name on the National Coho Queen's Facebook page with your sponsored young lady as well as the National Coho Salmon Festival website.
